NOTE FOR: Mr. Coffey

SUBJECT : Justification for a New Building - NPIC

1. I forwarded to Jack Smith the paper prepared by Logistics on justification for a new building for NPIC. Jack Smith called me on this as to the purpose of the paper and I advised that it was more of a fact sheet for the Executive Director's use.

2. It had been agreed that the presenting of this problem to the Director would be in the form of a briefing at a date to be set in the near future. I have accordingly instructed [ ] to have [ ] prepare some graphics for a presentation to the Director on the NPIC Building. I further advised that this chore would fall to you and that [ ] should be in touch with you on the graphics presentation.
